System Guidelines

- You must wait at least 1 hour between each serving. Servings can be taken once every hour or spread throughout the day. Do not exceed 6 servings per day.
- Always wait at least 3 hours after taking any medication before taking Cardio Renew. Wait 2 hours after taking other Supplements.
- Wait at least 1 hour after taking a serving of Cardio Renew before taking any medications, supplements or eating food.
- Do not take Supplements containing Minerals (eg. calcium, magnesium, potassium, iron, etc.), including Multi-Vitamins (that contain Minerals). Vitamins (eg. B, D, A, etc.) are fine to take.
- Take servings on an empty stomach. When possible, wait 1-2 hours after eating a complete meal - for snacks wait 30 minutes.
- We recommend at least 1,000 mg of Vitamin C & 1,000 IU of Vitamin E daily. We suggest the Vitamins be taken with meals.
- Drink 6 - 8 glasses of water each day. Tap water is fine.
- Store bottles at room temperature ? shelf life is 2 years.
