Angioprim vs the Pirates

1/18/2007

## Featured Customer Comments

### George Lyons

For your information the cardiac specialists found with an angiogram. That I had one artery 90% blocked and the second one was 60% blocked.

### Ed Burns

I am 74 years old, and have always been in very good health. I recently changed doctors and had been feeling a little out of sorts. During my annual physical in July of 2006, I found out I had high blood pressure. In addition, my new doctor questione

## ARTICLES

### Competitive Tricks and Mis-Information

It has come to our attention that some of the low-life PIRATES that we call competitors on the internet have been calling our REP's who have been good enough to display their name and phone numbers in the [Ask our Customers](#) area of our website.

E.G. Kevin from Cardio Renew called these reps to get them to switch to his product. The reps, of course, didn't respond to his false promises, but it does show the depths to which these competitors will cheat and lie in order to make a few dollars selling inferior, and frankly, dubious products.

Angioprim prides itself on being upright and forthright with our clients, and we apologize for any inconvenience you had dealing with these people. You have our promise that WE will continue to practice our business dealings in an honorable manner.

We appreciate the work you have done to make [Angioprim](#) the foremost brand of Liquid Oral Chelation on the market today.

If you hear from one of these bottom feeders, please give Bill Smith a call at 954-882-7221. We are trying to create a file of these contacts to give to our lawyer.

### Discounts Change for New Customers and New Reps

As you are aware, Angioprim has lowered it's prices on our larger packages, i.e. the 24 and 36 bottle packages. In order to bring the lower prices to you, our existing customers, it was necessary to lower the automatic discount rate for new clients to 10%. So remember when you are talking to someone who is going to buy the product that for them this new rate is in effect.

This does not effect those who purchased from us prior to January 8th, 2007. All of our old customers will continue at their current credit level as a sign of how much we appreciate their business and loyalty.

Are you interested in **FREE Angioprim**? We have a referral program that helps our customers benefit from helping us introduce Angioprim to others in need.
